

NIGHT OF THE LIVING RADIO

WRUC PAST AND PRESENT

To celebrate the 101st anniversary of WRUC, we offer this exhibit highlighting the importance of Union College's radio history. This was the first radio station in New York State and one of the earliest in the nation. We hope you are inspired to tune in at 89.7 FM.

Special thanks to Professor James Hedrick, Department of Electrical, Computer, and Biomedical Engineering, Union College and Chris Hunter, Vice President of Collections and Exhibitions, at the Museum of Innovation and Science.

We hope you enjoy this exhibit.
